

Dream and Inspire

Participating in the Dia del Niño Dream and Inspire festival presents an unparalleled opportunity for businesses and organizations to connect with the vibrant community of Sonoma County. Scheduled for April 28th from 12 PM to 7 PM at The Square in Santa Rosa, CA, this unique event is the only kids festival in the region, brought to you by La Red LatinX The Hub—a non-profit dedicated to benefiting small Latino-owned businesses—and La Maquina Musical and La Musquera, a local family-owned radio station with a primary goal of community engagement. Last year's festival was a resounding success, attracting over 3,000 attendees and receiving significant media recognition from the Press Democrat.
